# Minuet - J.S. Bach

6-26-71

[Note: Since 1970 it has been generally accepted that this piece, "Minuet in G" (BWV Anh 114) from Anna M. Bach's 1725 notebook was actually composed by Dresden organist and composer Christian Petzold (1677-1733), not J.S. Bach. We've left Ted's original page with Bach's name, but the translation page does not list the composer. -- Editor's note.]
