In just another way, TONALITY will support a MAJOR TRIAD built from any or all of the 12 degrees of a MAJOR KEY. Below are 3 short phrases using each one with little themes of mine.

The image displays 12 major triads, each with a guitar fretboard diagram and a short melodic phrase. The keys are: F, G, Ab, Bb, C, D, Eb, E, F#, G#, A, and B. Each diagram shows the notes of the triad and an 'X' for a fretted string. Melodic phrases are indicated by numbers 1-5 and arrows showing fingerings and string changes. Some diagrams include additional notes like 'NEW KEY' or 'WHY?'.
