A house is not a home. "New" tunes for me to add.
A lover's concerto.
As long as she needs me.

Bryan's song.
Beyond the sea.

Close to you.
Chances are.

Graduation day.

Goodbye old girl.
It's not for me to say.

The man who wrote goldfinger.

If.

Lonesome town.
Love me tender.

Love is a many splendored thing.

Wonderful wonderful.

Unchained melody.
You'll never walk alone.

Where or when.

Volaire.

Till.

The high and mighty.

Secretly.

Since I met you baby.

Silhouettes.

Heart only you.

Hey there.

How to handle a woman.

You don't know me.

For me and my gal.

Love walked in.

Spring is here.

Witchcraft.

Anyone who had a heart.
Cheek to cheek.

The in crowd.

I may be wrong.

On a clear day.

Michelle.

Misty.

Our day will come.

This guy.

The last one to be loved.

Make it easy on yourself.
