

"Eight Days A Week" - Bridge section only

To be used to complete Ted Greene's arrangement

Arranged by Larry Hinds

Standard tuning

♩ = 123

jz.guit.

Chord diagrams and lyrics for the bridge section:

- System 1: E7sus2, Eb7(#5), D7add13, F#7sus4, F#maj7sus4(b5). Lyrics: Eight Days a week I love
- System 2: F#7sus4, Bsus2/D#, D7add13, C#7. Lyrics: you Eight Days a week is
- System 3: F#7sus4(b5), G7(#11), A7(#5)/G, E7(b9), E7(b9). Lyrics: not e-nough to show I care

I tried to stay in the flavor of the chords that Ted selected.

In addition, I thought to also keep the descending bass motif as well.

Lastly, I recall on the Beatles recording that the second go round of the "Eight Days A Week" the vocal harmony is on the 3rd, so I did that as well.

Cheers!
